PRODUCT DETAILS:

The charming four-light Gerard pendant draws inspiration from neo-nostalgic French country design. The two-tone, aged brass/white fixture sports an open frame with four candelabra sockets nestled neatly within. The crown of the enclosed structure boasts ornate molding that attaches to the matching chain suspension system. This luminary is the perfect fixture to showcase in multiples over your traditional kitchen island, to line down your modern farmhouse hallway, or to hang over your cute and cozy reading nook. With ample illumination cast from the light source, the Gerard pendant delivers in its function as much as it does its beautiful form.
