

Ambient BackLight On

Ambient BackLight Off

No-Touch IR Sensor

PRODUCT DESCRIPTION

Introducing the Perla Lighted Mirror – a masterpiece of Italian design that redefines the concept of elegance and functionality. Designed in Italy, the Perla Lighted Mirror is a one-of-a-kind circular mirror with an etched glass frame that is a testament to precision and sophistication. Experience the magic of ambient backlighting that gracefully illuminates the mirror, casting a soft, inviting glow that enhances your space's ambiance. Say goodbye to foggy mirrors with the defogger, ensuring your reflection stays pristine even in the steamiest bathroom conditions. Customize your illumination with CCT selectability, allowing you to toggle between different light temperatures and adjust the brightness level with dimmability to suit your mood and grooming needs. Adjust settings and turn the mirror on or off with the hands-free infrared (IR) sensor. Elevate your self-care rituals, revel in the spacious reflection, and redefine your space with Perla – where beauty and technology harmoniously converge, creating an exquisite and functional experience
