

**PRODUCT DETAILS:**

On the Southeastern-most border of Italy lies Salento, a peninsula flanked by the Ionian and Adriatic seas. Steeped in thousands-year-old history, influences of Baroque and Rococo architecture dot the landscape. Our Salento family celebrates the richness of this region with a design that recalls antiquity. Delicate, imperfectly curved arms appear to bear the weight of candlestick-styled lights, leaf motifs, and imperfect asymmetry pay homage to the Rococo influence.
