FEATURES

- **GHOST LIGHTING:** More than 4,000 lumens of perfectly diffused, direct light. When switched off, the light source is completely concealed, leaving you with functional reflective space and not unsightly diffusers.
- **MODULAR LIGHTING SYSTEM:** Activate different direct light sources within the mirror to tailor your illumination to your specific needs.
- **INTUITIVE TOUCH CONTROL:** Operate the mirror with ease using the lighted touch button located just above the shelf. Turn it on or off, select your desired color temperature (CCT selectable), and dim the light all by a simple touch of the button.
- **INTEGRATED SHELF:** The integrated shelf adds both style and convenience to your space, providing a dedicated spot for your daily essentials (5LBS Maximum). Included loose in every box.
- **CRYSTAL CLARITY:** Your mirror stays crystal clear even in the steamiest of environments thanks to the integrated defogger
