

Ambient backlight On

Ambient Backlight Off

No-Touch IR Sensor

PRODUCT DESCRIPTION

Designed in Italy, the Starlight Lighted Mirror boasts a classic frameless design that exudes sophistication and complements any decor seamlessly. The frosted glass edge, backed by a thick Plexiglas diffuser, offers high-output direct light, perfect for precision tasks like makeup application and grooming. Say goodbye to foggy mirrors with our defogger, ensuring your reflection stays pristine even in steamy bathroom conditions. Toggle between different light temperatures with CCT selectability and adjust the brightness level with dimmability. Operate the Starlight Lighted Mirror easily using the hands-free infrared (IR) sensor that allows you to adjust settings and turn the mirror on or off without ever touching a button. Redefine your space with Starlight – where timeless beauty and modern technology seamlessly converge.
