

PRODUCT DESCRIPTION

Elevate your bathroom décor to new heights with the XO Lighted Mirror, an award-winning masterpiece of Italian design that transcends the ordinary. More than just a mirror, the XO is a statement piece, a work of art that adds an unparalleled level of elegance to any space. Featuring our exclusive "XO" design bordering the mirror, this mirror exudes sophistication and style. When illuminated, the XO pattern comes to life, casting a warm and inviting glow that enhances the ambiance of your bathroom. Using the advanced IR sensor, the XO Lighted Mirror offers effortless control over your lighting experience. Adjust the color temperature from 3000K to 6000K to create the perfect lighting for any occasion. Whether you prefer a cozy, intimate atmosphere or a bright, energizing glow, the XO mirror puts the power in your hands. Even when switched off, the XO design remains a captivating focal point, adding a touch of understated elegance to your bathroom décor. We believe in the beauty of design, and we wanted the XO to shine both day and night. Experience clarity in any environment with the built-in defogger, ensuring that your mirror stays crystal clear even in the steamiest of bathroom environments.

Say goodbye to foggy mirrors and hello to unparalleled clarity with the XO Lighted Mirror. Make a statement with your bathroom décor and elevate your space with the XO Lighted Mirror – where artistry meets functionality for a truly transformative experience.
