PRODUCT DETAILS:

Ophelia is the perfect introduction for Tamara Day Fans, embodying her signature style with a decorative touch. Brushed brass detailing accentuates the round frame, adding warmth and sophistication. The fan's scalloped body echoes Tamara's iconic clover charm, while a case-light scalloped dome softens the glow from the integrated light. For added versatility, a brushed brass plate is included for those who prefer a sleek, non-lit option. Available in white and matte black.
